:angry: :angry: :angry: StreetFighter:angry: :angry: :angry:

ive noticed on streetfighter that u cannot score over 250.000maybi even less than that :angry: if ya do you run the risk of a neverending battle hour's+++++++ (i gave up in tha end)

And when u get 2 tha guy wid the red hair (GARUDA) i think correct mi if wrong, and the loading screen dosent even load (GREAT)

if there's any1 else who's had similar prob's pleeeese let the message be known cause unless all u's start moaning how r the site mods supose to fix an unreported error! so lotz of lovely feedback people ehlol:P
