
Yeti games now available!

Posted by Kelvin - 2007/12/20 01:28

I've loaded the first two games in the Yeti series of flash games that spent a lot of time being played in offices across the UK a couple of years ago. They're still great fun and if you'd like to see more Yeti games then let me know here.

The games are Smack the Penguin and Orca Slap - both can be found under Classic Games.
