** This thread discusses the Content article: D&D 4th Edition Previewed in Scrye Magazine **

Wow!! This product is starting to look better each time I read something new about it online!! Can't wait for the 6th June!
And don't forget you can pre-order all your 4th Ed stuff from Runik Games!

A shameless plug there from Symon I see :)

But seriously, it does sound pretty good. I'm looking forward to checking out the new races and classes and can't wait to dive into the new edition.
